City of Lawrence
City Manager's Office
David Corliss
P.O.Box 708
Lawrence, KS. 66044

Dear David,

Douglas County Rural Water District # 1's (RWD #1) Board of Directors have reviewed the City of Lawrence's proposed annexation of the land around Yankee Tank Lake. The District has no objections to the proposed annexation.

The District does have questions about the actual dam upgrade construction project's footprints because of potential conflict with District waterlines. We are prepared to work with the Watershed District, City of Lawrence, and all other appropriate parties to prevent interruption of water services to RWD #1 patrons or delay the project.

Sincerely,

A handwritten signature in black ink that reads "Tom Sloan" with a stylized flourish at the end.

Thomas Sloan, Chairman
RWD #1 Board of Directors
