Jonathan Douglass,

On May 12, 2012 the Replay Lounge is hosting an event called "Spring into Summer." It is our fifth year hosting this event. We are proposing to have a stage erected on Tenth Street, between Massachusetts and the alley, with live music from 3pm until 10pm. Our plans include barricading the street during this time. However, the sidewalks and the alley will be left open for public use.

We respectfully request your permission to hold this event explained above. I would be happy to provide any additional information you might require.

Sincerely,

Nick Carroll
