

HALLOWEEN ACTIVITIES

Lawrence Parks and Recreation Department recently held several activities for youth and adults this Halloween. The *Halloween Trick-or-Treat Trail Hike* was sponsored by the Prairie Park Partners, the nature center's friend's organization. This year's theme was Fairy Tales, and participants dressed up in costumes and went trick-or-treating around Mary's Lake. Cookies and cider were also served in the Nature Center.

LPRD also hosted the 34th annual *Halloween Paint-In*. There were a total of 34 painters that painted store windows on several Massachusetts St. buildings in downtown Lawrence. The Breakfast Optimist Club and Downtown Lawrence Inc. co-sponsored the event. Both agencies supply this event with financial support so that it can continue to be free for all participants.
