**Subject:** ITS Set-Aside Program for FY 2015

Dear Mr. Cronin:

Thank you for your request for funding from KDOT's Intelligent Transportation Systems (ITS) Set-Aside Program for FY 2015. KDOT received requests totaling \$8,205,586 for this year's program and awarded \$4,000,000. Following the review of the applications and presentations, the KDOT ITS Set-Aside Committee began the evaluation and ranking process. After a thorough review of the applications, the committee's final recommendations were based upon the overall average of the rankings for each application.

We appreciate the time and effort that was put into your application described below. We are happy to announce that the ITS Set-Aside Committee has selected your application for funding at the following amount:

<b>Project Name</b>	<b>Awarded Funds</b>
West Lawrence ITS Connection - Phase 1_install 12 additional intersections	\$129,250

Thank you again for your time, effort and the project application that you submitted. We will be contacting you in the near future to arrange a meeting to discuss both the project and the agreement process in detail. If you have any questions or concerns about the ITS Set-Aside program, please contact me at (785) 296-3387 or Leslie Fowler at (785) 296-5652, [leslie@ksdot.org](mailto:leslie@ksdot.org). Please confirm this email when you receive it.

Thanks,  
David
