Dear Mr. Soules,

Congratulations! I am pleased to announce that your Safe Routes to School (SRTS) application has been selected for funding and will be included as part of the Kansas Department of Transportation (KDOT) SRTS Program.

Due to available funding, your project has been awarded at 100% with a maximum funding amount of \$15,000 (no local match will be required). Please note that if the project exceeds \$15,000, the overage will be the Local Sponsor's responsibility. Please do not start performing work until a written agreement is signed between KDOT and the Local Sponsor, and a letter to proceed has been received. Any work performed prior to receiving authorization to proceed is not eligible for reimbursement. KDOT will now begin drafting an agreement which you will receive for your review and signatures soon.

If you have any questions feel free to contact me by email at [rpepper@ksdot.org](mailto:rpepper@ksdot.org) or by phone at 784-296-8593.

Your interest in this program is appreciated, and we look forward to working with you.

Sincerely,

A handwritten signature in cursive script that reads "R. Pepper".
