2005: \$30,000 City; \$31,125 CDBG; \$13,029 ESG 2006: \$30,000 City; \$31,125 CDBG; \$12,750 ESG

Description/Justification (Using 300 words or fewer, describe the program for which funding is being requested, the importance of the program and why City funding is needed.)

The Salvation Army Emergency Shelter provides a safe place for people experiencing homelessness to sleep out of the elements. Residents have access to showers, laundry, telephone, limited storage for personal items, and are provided an evening meal, linens and a mat to sleep on. Residents sign in between 8:00 PM and 9:30 PM, with arrangements made for anyone working late. Persons with a blood alcohol level over .04 are not allowed to stay. After a three day stay in the shelter, all residents are required to meet with a case manager to establish a plan for self-sufficiency. Clients may stay in the shelter as long as they progress towards their goals. In addition to providing overnight shelter, the Salvation Army is a participant in the 24/7 shelter supported by the City, opening our doors daily from 5:00 PM to 8:00 PM as a warming/cooling shelter.

**Importance of Program:** Thanks to the continued financial support of the Outside Funding, the Salvation Army has been able to continue providing warming/cooling shelter year round. This has proven beneficial in assisting clients with progressing towards their goals as case management is provided during this time. During FY 2005 the Salvation Army provided 15,152 bed nights with an average of 4,560 persons utilizing services during the warming/cooling shelter.

Why City funding is needed: Remaining open year round has increased expenditures, utilities, and maintenance. The Salvation Army remains committed to helping homeless individuals and families, through case management services, obtain housing.

City of Lawrence, Kansas – 2007 Outside Agency Funding Request Form

1. Description of funding support received from all other sources such as the United Way, Douglas County, USD 497, state/federal grants and private funding.

The attached United Way budget form provides the requested detail concerning funding sources.

2. Total budget for the agency, number of personnel, and how the funding would be used (e.g. personnel, equipment, material, etc.).

There are currently nine daytime staff members and eight nighttime staff members on payroll. This funding would cover staff salaries and operating costs including utilities and maintenance.

3. Does the agency anticipant the need to request funding beyond 2007?

Yes. The shelter's year-round operation increases our expenses through employee, utility costs, and maintenance needs by at least 30%. Continued funding is necessary to maintain operating our shelter.
