RE: RCRA Permit Modification Approval and Permit Expiration
Former Farmland Industries Nitrogen Plant
EPA ID Number KSD007128507

Dear Ms. Graves,

On April 1, 2019 The Kansas Department of Health and Environment (KDHE) Bureau of Waste Management (BWM) approved the *Revised: RCRA Permit Modification Request* submitted by the City of Lawrence on March 18, 2019.

KDHE approved the permit modification request to change the permit expiration date to allow earlier permit termination of the Part I Hazardous Waste Post-Closure Permit issued by the State of Kansas. The date of the approval letter, April 1, 2019, shall be the new permit expiration date, effectively terminating the State of Kansas, Department of Health and Environment, Division of Environment, Hazardous Waste Post-Closure Permit Part I. Please provide this information and reference to this correspondence in your notification to the mailing list and appropriate units of state and local government in accordance with 40 CFR 270.42(a)(1)(ii).

If you have any questions or concerns regarding this letter, contact me at (785) 296-6597 or jason.koontz@ks.gov.

Respectfully,

A handwritten signature in black ink that reads "Jason Koontz". The signature is written in a cursive, flowing style.
