RE: Farmland Revised 2018 Data Gap Study Work Plan
Former Farmland Industries Nitrogen Plant
1608 N 1400 Road
Lawrence, Kansas
KDHE Consent Order No. 10-E-94
KDHE Project Code: C4-023-00009

Dear Mr. Markus:

The Kansas Department of Health and Environment—Bureau of Environmental Remediation (KDHE-BER) acknowledges receipt of the referenced document dated January 18, 2019. KDHE has reviewed the document and agrees the work is necessary to determine appropriate corrective action at this site. KDHE approves the document.

No written response to this letter is necessary. If you have any questions, please call me at 785-296-3866 or contact me by e-mail at Cathryn.Mallonee@ks.gov.

Sincerely,

Cathryn Mallonee
Environmental Specialist
Remedial Section/Site Restoration Unit
Bureau of Environmental Remediation
