

MOVE OUT

Move Out, Don't Throw It Out! May and July are peak months for moving out of apartments and homes in Lawrence. Moving can create a lot of waste. A little planning and preparation goes a long way towards reducing the amount of waste your move produces. Please help our community keep reusable goods out of the landfill.

 1pm at 2201 Kresge Rd.**
**Click here for list of
 accepted materials.**

Residential Moving Tips

When moving, do not take the city trash and recycling carts with you. Carts belong to the address delivered.

 <p>Recyclable Materials Directory</p> <p>Search for local donation, reuse, and recycling options. To search the directory, visit: LawrenceRecycles.org</p>	<p>Donation Pick-up:</p> <p>Schedule a pick-up by calling Habitat for Humanity Restore (856-6920), Salvation Army (856-1115), or the Lawrence Community Shelter's Move-Out Program (832-8864).</p>
<p>Got Cardboard?</p> <p>Use the city-sponsored drop-off bins for large quantities of cardboard boxes. Search the directory to find nearest location.</p>	<p>Buy/Sell Reusable Goods:</p> <p>Buy or sell reusable goods at thrift & consignment shops, garage sales, or local Buy, Sale, Trade or Freecycle Facebook Groups.</p>

Visit our website & Facebook for more move out, reuse, and recycling tips!
