Lawrence Cultural Arts Commission
Phoenix Awards

DESCRIPTION
The Lawrence Cultural Arts Commission is seeking professional Lawrence artists to develop, design, and fabricate innovative, original art for the annual Phoenix Award.

BACKGROUND
2023 marks the 24th anniversary of the Phoenix Awards. The Phoenix Awards, given annually by the Lawrence Cultural Arts Commission, recognize outstanding artistic achievements in the Lawrence community—particularly those that go “above and beyond” and have a lasting impact on the Lawrence Cultural Community. Members of the public are invited to make nominations. Eligible nominees include emerging and established artists working in the visual, literary, musical, theatrical, and media arts. Arts educators, administrators, patrons, supportive entities, advocates, and volunteers are also eligible. Students are not eligible. At the discretion of the Lawrence Cultural Arts Commission, a nominee may be chosen for a special Exceptional Artistic Achievement award.

BUDGET/COMMISSION
The all-inclusive Phoenix Award art project budget is $3,000 and the selected artist will be required to create six awards—one for each awardee and one for display at the Lawrence Arts Center. Artwork for this project will be commissioned through the City of Lawrence Cultural Arts Commission. While creativity and innovation are encouraged, the awards must also be practically suitable for display and very well constructed to be able to survive handling and long-term display.

ELIGIBILITY
The opportunity to compete for this project is open to all professional artists residing in Lawrence or Douglas County.

The City of Lawrence does not discriminate on the basis of race, gender, religion, age, national origin, sexual orientation, or disability. Qualifications by City employees or their relatives, and members of the Artist Selection Panel or Cultural Art Commission or their relatives will not be considered. Experience with public art projects, especially in relation to capital projects, is preferred. Applicants must be able to work effectively within the project timeline and collaborate with the design team and multiple government agencies.

SELECTION PROCESS
The Lawrence Cultural Arts Commission will serve as the selection panel and may select a small group of finalists for interviews and to possibly develop proposals. Typically, between 6 and 10 awards are granted.
The criteria used by the panel will include:

- Artistic quality, innovation, and originality
- Excellence in craftsmanship and construction
- Potential longevity of the piece
- Concept that visually articulates the spirit of the Phoenix Awards

The City of Lawrence is not required to make selections from these submissions, if, in their opinion, qualifications are not appropriate.

SUBMISSIONS

Interested artists should enter and submit their application materials, listed below, online by midnight Central Time, December 2\textsuperscript{nd}, 2022. Applications will include the following:

1. A letter of interest, up to 500 words that discusses your interest in making art for this project; what you bring to the project as an artist; challenges and/or sources of inspiration presented by the project; what you would hope to gain from this experience; and any other comments that might help to differentiate you as a candidate for this opportunity. This is not a request for proposals but if you’d like to share your idea at this stage you may do so in the narrative of the letter or provide a concept sketch as a JPEG as one of your portfolio images.
